ABOUT ME

I obtained my PhD in Multimedia Interactive System in 2015 from Universiti Sains Malaysia (USM) and Master degree in Communication Studies (IT) from University of Brighton, United Kingdom in 2005 and Bachelor Degree in Teaching English as a Second Language from University of Winnipeg, Canada. I started my career as a language teacher in Universiti Kebangsaan Malaysia. I am currently serving as a senior lecturer at Universiti Teknikal Malaysia and holding a post as the Head of Human Development Department and used to hold several administrative posts as the Head of Department (2015-16) and Deputy Dean of Research. I am an active researcher and supervisor. I am also a consultant for many projects involving Problem Based Learning with other institutions and Leadership Academy of Higher Education Malaysia (AKEPT). My research areas include Problem Based Learning, Multimedia and Culture, Web Communication, Cross cultural in web design.
