Satu perkongsian yang sangat bagus untuk memberikan kesedaran kepada semua educators tentang tugas mereka terhadap pelajar yang mana akan memberi kesan kepada kualiti pelajar jika tidak dijalankan dengan baik. Ini adalah satu tugas yang mesti dijalankan dengan rasa tanggungjawab yang sebenar-benarnya

Very fruitful sharing. The material sharing is very nice and interesting to read.

This training, the trainer & the content is superb & excellent! Saiysi cadangkan agar kursus ini sebahagian kursus wajib Pensyarah. Tetapi, isu di sini (UTeM), bagaimana boleh kita terapkan nilai kemanusiaan - 'humanising' penyampaian Pengajaran & Pembelajaran? Adakah penyampaian yang 'humanising' P&P boleh di-'synchronise' dgn tuntutan KPI & dokumentasi ISO, MQA dll?

I love the guided worksheet. thanks for sharing
