

The explanation was clear & interesting. I enjoyed this sharing session.

Interesting.. Highly recommended to those working in the Teaching Industry

Alhamdulillah, i manage to learn several few terminologies and new things.

I feel great.

Can apply the propose method to enhance T&L

Very good share from the speaker.

The speaker is very energetic and well-verse on the topics. Enjoy the content so far.

Ok

Give new information on andragogy in teaching & learning

A knowledgeable talk that will surely help me in upgrading my teaching style and had a better engagement with the students.

Attractive delivery by the speaker

Good information on andragogy in teaching n learning

OVERALL IS OK

NA

Very engaging. The speaker and the topics are very interesting. I could relate closely to my p&p and also life. Tq

very interesting topic and hope can apply the knowledge with my T&L soon

Alhamdulillah, I learn few terminologies and new things today

very informative especially with the andragogy topic.

good exposure because it help me to understand the interactive learning such that to ensure my student enjoy my teaching and learning process

great explanation & interesting

Great sharing session

good session

The session is very good

There are many methods to teach, in the end, all depends to the course and students

A good course that all academicians should join.

very good sharing

Interesting, know new tools used, energetic session, excellent presentation and interactive activities.

very interesting sharing on how to implement interactive teaching especially during this pandemic.

ok

LEARN ABOUT WHAT IS THE PROCESS OF LEARNING OF ADULT LEARNER AND HOW TO FACE THEM.

at least i know what pedagogy, andogogy term and experince the padlet website.

Attracting students in education is too challenging especially in online education system

really inspiring

very good and interactive session

This course provide me option on interactive learning.

Really inspiring on how to be a great educators by utilizing IT as a tools for new norm of teaching.

Interactive teaching are covered.

Very nice presentation and content

Very good input

very good seminar on student/lecturer engagement

Byk ilmu yg disampaikan, tinggal cuba aje, cuma cukupkan masa nk cuba semua. Insyallah we try our very best.

the speaker is really expert in her topics, involve fun and engaging activities and sharing her teaching experiences.

This session in a great session. w
