

SUPERVISION

ZAMBERI JAMALUDIN
FAKULTI KEJURUTERAAN PEMBUATAN
26 April 2018

Outline strategic approaches
that you would take to meet
requirement of GOT

Table 8: The comparison of effective supervision with the benchmark

| Requirement | Timing | Benchmark | Our Case |
|---------------|---|-------------------------------|---|
| Enrolment | Before the start of each semester | Meeting once for an interview | Meeting three times: <ul style="list-style-type: none"> • Interview • Research proposal for application • Final edition for submission |
| Learning plan | Within 3 months of commencement of research phase. Reviewed by candidate and supervisor at least annually | 2 to 3 months | 2 months |

| | | | |
|--|--|------------------------------------|---|
| Final research proposal | As soon as possible and certainly before the initial seminar where it will be handed in for assessment | 5 to 6 months | 4 months |
| Ethics approval | As soon as you know what you are doing – definitely before starting the research | NA | NA |
| Initial seminar | Within 6 months for full time students | 6 months | 5 months |
| Annual Progress Report | Each year (around September to October) | Done as required (3: satisfactory) | Done as required (4: good and 5: very good) |
| Second work-in-progress seminar (PhD only) | In second year (for full time students) | NA (this case) | NA (this case) |
| Conference | Anytime during | Once (Master by | 2 (for his Master |
